

Integrated Management System
Outreach Release 1.0 Memo
August 27, 2012

Search Initiatives

- Canceled Initiatives are no longer included in the search results multi-record block. SCR 5364.
- The Office field has been defaulted to OFP, Office of Field Programs. SCR 5360.

Tab Sequencing

- The tab sequencing has been fixed in the following screens: V/M Initiative, V/M Events, New Event, V/M/ Event Geography. SCR 5080.

New Events

- Upon entry to the New Events screen the Project Number field is now disabled. If the Revolving Fund check box is checked, or event types CST, NTC, or TAPS are selected, the field becomes enabled and a value may be entered. SCR 5080.
